

Martin Hill

I moved to Wareham over 60 years ago and have lived in the town for most of my time since then. I was educated at Wareham Junior school and Swanage Grammar school, and have three sons, all of whom were educated in Wareham.

At present I continue in my role as Chairperson at Swanage and Wareham Rugby Club where I took over the post in 2020, this being my second term, having been Chairperson between 1999 – 2002 I have been instrumental in allowing the use of the Club facilities to local organisations, making sure that the Rugby Club is recognised as a Community Club in the local area.

As an independent Councillor I will do everything in my capabilities to ensure that the Wareham railway crossing remains open and will support any proposal that I believe will be for the benefit of Wareham.
