

I'm Molly Tighe, proud to be elected as Wareham Town Counsellor. Raised in Stoborough, I was deeply influenced by my grandmother, who served as both councillor and mayor, inspiring me to continue her legacy of public service. After attending Stoborough First School and Wareham Middle School, I pursued my passion for politics at university.

Despite a brief stint in London, Wareham's timeless allure beckoned me back home. Its rich history, vibrant community, and scenic surroundings have always held a special place in my heart. Working in the construction industry and volunteering to plant trees allow me to contribute to the town's growth and sustainability.

As an avid sports enthusiast, particularly passionate about football, and having played for Wareham Ranges in the past, I understand the unifying power of sports in our community. I'm eager to leverage my experiences and dedication to serve as Wareham Town Counsellor, committed to fostering collaboration and progress for the betterment of our beloved town.
