## **OPCC Annual Survey 2025**

Please read, before completing the survey

Since becoming PCC, every year I have asked you to share your views on crime, safety, and policing through my Annual Survey. I want to know how safe you feel in your community, how visible and connected you feel to Dorset Police, and whether you believe police resources are being used effectively in your area.

Over the past year, we've continued working hard to strengthen policing across Dorset. As part of that ongoing effort, I'm once again asking for your feedback to help understand what's improved—and what still needs attention.

This survey is one of the most important ways I hear directly from you and your perspective is incredibly important to both me and the wider policing team. I greatly appreciate you taking a few moments to complete this year's Annual Survey. Thank you in advance for your time and input.
