

PROPOSED TEMPORARY WESTBOUND CLOSURE OF B3070 WORGRET ROAD, WAREHAM

I have received an application from SGN to close B3070 Worgret Road, Wareham between Encombe Road to Worgret Roundabout (Westbound Only, a distance of approximately 640 metres. The closure has been requested to provide a safe working area to enable SGN to replace a gas main. These works are programmed to commence from 23rd July 2026 until 31st August 2026.

SGN will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 7th July 2026
