

## PROPOSED TEMPORARY CLOSURE OF ST MICHAELS ROAD, WAREHAM

I have received an application from Wessex Water to close St Michaels Road, Wareham between 5a St Michaels Road and 3 St Michaels Road (in both directions), a distance of approximately 20 metres. The closure has been requested to provide Wessex Water with safe access to make a New Connection. These works are programmed to commence between 08:00 until 18:00 from 11th May 2026 until 13th May 2026.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 17th April 2026.
