PROPOSED TEMPORARY CLOSURE OF VARIOUS ROADS, WAREHAM

I have received an application from SGN to close Various Roads, Wareham as listed: [i] Church Street, Wareham from junction with Church Green to junction with St Johns Hill; [ii] Church Lane, Wareham from junction with Church Street to a point approximately 30 metres to the east. The closure has been requested to allow SGN to undertake gas main replacement works. These works are programmed to commence from 20th April 2026 until 22nd May 2026.

SGN will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 20th March 2026.

View all roadworks in your area - dorsetcouncil.gov.uk/roadworks-events or read the council's [guide to roadworks](#) for general information and advice.
