The Town Clerk also noted that she had received correspondence from Dorset Council regarding the Community Governance Review which would be brought to Council for consideration.

The Town Clerk noted recent social media comments and phone calls to the office regarding developments to 2 North Street and the negative impact this had on staff reading such posts and receiving phone calls from members of the public. The Town Clerk noted the benefit of members proactively engaging with residents regarding the 2 North Street developments to provide members of the public with credible information and to correct misassumptions and misinformation, all of which could be located on the Council website and the meeting minutes and reports which had been discussed at many meetings.

The Town Clerk's update was NOTED.

TC 207/25-26 Any other items the Mayor deems urgent

There were no other items deemed urgent.

TC 208/25-26 Date of next meeting

It was noted that the next meeting of the Town Council was scheduled to be held on Tuesday 28 April 2026 at 7:30pm.

Mayor..... Date.....

Minutes of a meeting of the Amenities Committee held on 10 February 2026 in the Council Chamber, Town Hall, East Street, Wareham at 7.30pm.

Committee Members present: Councillors V Green (Chairman), S Wheatley (Vice Chairman), M Cotton, K Critchley, S Dean, L Kirk and D Robinson.

Officers present: N Gray, Town Clerk & RFO, S Dickins, Deputy Town Clerk

The Chair welcomed Cllr S Dean to the Committee following Cllr Davey stepping down.

A 040/25-26 Apologies for absence

Apologies were received and accepted from Cllr M Hill.

A 041/25-26 Declarations of interest

There were no declarations of interest.

A 042/25-26 Public participation time

There were no members of the public present.

A 043/25-26 Confirmation of the minutes of the previous meeting

The minutes of the previous meeting of the Amenities Committee held on 09 December 2025 were **APPROVED** and would be signed by the Chairman following the meeting.

A 044/25-26 Matters arising from the minutes of the previous meeting

Cllr Cotton confirmed the fencing at Carey play area had been completed.

Cllr Critchley asked what the position was with the replacement trampoline padding. The Deputy Clerk confirmed work was underway.

A 045/25-26 Dog Refuse Bin – Bell’s Orchard / North Bestwall Road

The Committee considered the report regarding the installation of a refuse bin near the Walls at Bell’s Orchard and North Bestwall Road. It was noted that there had been a dog bin at the proposed site in previous years, but this had been removed due to the cost of servicing the bin. It was suggested that it needed to be a general waste bin rather than a specific dog waste bin.

It was **RESOLVED** that a general waste bin be installed at the recommended site away from the sign with the responsibility of emptying the bin falling to the grounds team, on the condition that all stakeholders agree to the siting.

A 046/25-26 Dorset Mind – Chatty Bench Campaign

The Committee considered the report regarding the Dorset Mind Chatty Bench Campaign proposal, and it was questioned as to whether the bench would be replacing an existing bench or be an addition. The Deputy Clerk confirmed that it would be a replacement.

It was requested that the bench be positioned to take in the view rather than the roundabout.

It was **RESOLVED** that the proposal be accepted and the suggested location be agreed as a replacement bench with it sited facing the view rather than the roundabout.

A 047/25-26 Hedgehog Haven Scheme

The Committee considered the report regarding the proposed hedgehog haven scheme on land at Carey Hall, Hauses Field and the Recreation Ground. Cllr Cotton noted that Carey Hall area had already got a hedgehog area built, so it was not required at that site, but the principle was supported.

Cllr Critchley requested that the school be involved in the monitoring of the sites and the Deputy Clerk noted that there could be a spare box available to offer to the school. It was noted there was a hedgehog society in Wareham, and it would be wise to liaise with them as to the best locations and where hedgehogs are present.

It was **RESOLVED** that liaison with the hedgehog society to establish the best locations to site them and how many would be required, with the Men’s Shed being requested to make up to 8 hedgehog boxes to be funded from the Towns Features and Furniture – General Maintenance budget.

A 048/25-26 Town Hall Roof Repair

The Committee considered the verbal report from the Deputy Clerk and Town Clerk regarding required repairs to the Town Hall roof.

It was **RESOLVED** that delegated authority be given to the Town Clerk and Chair to assess the quotes when they came in and agree the awarding of a contractor to complete the works, with the cost being allocated from the Town Hall – Equipment and Maintenance budget.

A 049/25-26 Howards Lane Public Convenience Update

The Committee considered the update regarding the Howards Lane public convenience project and a verbal update from the Deputy Clerk and Town Clerk on the current situation.

A discussion took place regarding the contractors’ inability to deliver the tender and the possible courses of action available to the Council.

It was **RESOLVED** that delegated authority be given to the Town Clerk to enter discussions with Healthmatic as to their ability to deliver the project and the way forward.

It was **RESOLVED** that the Build Project Working party meet to discuss alternative plans for recommendation to the next Amenities Committee and the engagement of CL Planning Ltd to assist the Council.

A 050/25-26 Any other items the Chairman deems urgent

There were no items deemed urgent.

A 051/25-26 Date of next meeting

It was noted that the next meeting of the Amenities Committee was scheduled to be held at 7.30pm on Tuesday 14 April 2026.

P&T 164/25-26 Planning Decisions

The planning decisions report was noted.

P&T 165/25-26 Saxon Roundabout Pedestrian Crossing Safety

The Committee considered the ability for pedestrians to cross the main road at the Saxon Roundabout when the underpass was out of use due to flooding.

The Committee noted the recent safety precautions deployed by Dorset Council for pedestrians using the crossing were insufficient due to the high numbers of vehicles, lack of visibility for both road users and pedestrians, and the number of lanes that needed to be crossed to reach the centre refuge. The benefits of lane reduction on both the approach to the roundabout and on the exit to Swanage were discussed, and improved and earlier signage provision further back on the bypass warning motorists of crossing pedestrians would be preferred. The Committee also felt that tree, hedge and brush cutting to improve visibility for vehicles approaching the roundabout and for pedestrians crossing would be advantageous.

The Town Clerk noted a discussion had taken place with a Dorset Council officer regarding the risk of the underpass being unsuitably used when it was flooded and that it would be prudent for Dorset Council to install measures to securely close off the underpass during times of flooding.

It was **RESOLVED** that Dorset Council be formally requested to enhance the signage provision to warn motorists more clearly and earlier of pedestrians crossing, improve visibility for pedestrians and motorists by cutting back trees and bushes, consider the lane configuration on the approach and exit on the Swanage side of the roundabout, and investigate the installation of a secure means of closing the underpass to the public when unsafe to use.

P&T 166/25-26 Any other items the Chairman deems urgent

There were no items deemed urgent.

WAREHAM TOWN COUNCIL – REPORT

Meeting Date: 28 April 2026

Agenda Item: 10

Subject:	Bank Reconciliations – February and March 2026
Prepared by:	Nicola Gray, Town Clerk & RFO
Purpose of Report:	To approve the bank reconciliations for February and March 2026.
Background:	Each month the bank accounts are reconciled with the accounts package to ensure that every transaction is correctly recorded by date, payee and amount. The reconciliation confirms that the balance held in the Council's Cashbook matches the balance on the bank statements (i.e. A = B), demonstrating that the accounts are complete and accurate.
Key Points:	<p>Each transaction on the bank statements is checked against the Cashbook to ensure it can be identified, properly recorded, and authorised in accordance with Standing Orders and Financial Regulations.</p> <p>The reconciliation summaries highlight the key figures; however, it is essential that Members have regular sight of the underlying transactions and balances to maintain transparency and effective financial oversight.</p> <p>The year end position for the Joint Burial Committee is not yet known, and this figure will change and be updated to reflect the correct year end position. Wareham Town Council cannot run its final year end until this information is known, and so it cannot sign off its annual accounts until this has been completed.</p>
Implications:	<p>Fraud and risk exposure – Regular reconciliation is a key internal control. Without it, there is an increased risk that unauthorised or fraudulent transactions could occur and remain unnoticed.</p> <p>Governance and accountability – Council has a statutory responsibility to ensure proper financial management. Not reviewing reconciliations limits the Council's ability to demonstrate that public funds are being managed appropriately.</p> <p>Audit and compliance issues – Failure to reconcile accounts monthly, or to evidence Member review, may result in adverse findings from Internal or External Audit, potentially leading to formal recommendations or reputational damage.</p> <p>Decision-making impact – If accounts do not balance, the financial information presented to Council cannot be relied upon. This affects budgeting, spending decisions, and overall financial planning.</p>
Recommendation:	To approve the February and March 2026 Bank Reconciliations.

WAREHAM TOWN COUNCIL – REPORT

Meeting Date: 28 April 2026

Agenda Item: 11

Subject:	Neighbourhood Plan Review Consultant Appointment
Prepared by:	Sam Dickins, Deputy Town Clerk
Purpose of Report:	To consider the recommendations from the Neighbourhood Plan Steering Group in respect of consultant appointment and delegated authority in respect of charges.
Background:	<p>Wareham Town Council resolved to review its Neighbourhood plan at its meeting on 27 May 2025 (TC 023/25) and made budgetary provision to support the plan's review on 27 January 2026 (TC 163/25-26).</p> <p>A prudent activity requiring finance for the successful review of the Neighbourhood Plan is support and guidance from a planning consultant to ensure the work undertaken by the Neighbourhood Plan Steering Group is most effectually progressing the plan's review.</p> <p>This paper outlines a recommendation for the appointment of a consultant and scheme of delegation for engaging the consultant at appropriate intervals.</p>
Key Points:	<p>The creation of the current Wareham Neighbourhood Plan was extensively supported by Jo Witherden of Dorset Planning Consultant Limited previously, giving this consultant intimate knowledge of the current plan, previous issues of concern and the context of development in Wareham.</p> <p>The above prior experience and expertise is financially advantageous allowing for reduced "read in" or explanation time with a consultant to ensure they have the context required to effectively advise, ultimately reducing consultation hours.</p> <p>The Wareham Neighbourhood Plan Steering Group and officers have liaised closely with Dorset Council officers who support neighbourhood planning work and understand Dorset Planning Consultant Limited have been engaged in the creation and reviews of a number of Neighbourhood Plan in Dorset recently, allowing increased confidence in Dorset Planning Consultant Limited's abilities to support the Wareham Neighbourhood Plan Steering Group through the contemporary neighbourhood plan review process in a Dorset context.</p> <p>In accordance with Wareham Town Council's Financial Regulation, Council may resolve to directly appoint in the case of appointing specialist services (5.12. i.), which may be supported by the above three key points.</p> <p>Dorset Planning Consultant Limited has quoted Wareham Town Council the following rates for its engagement:</p> <ul style="list-style-type: none"> - £114 / hr (excluding VAT) for Consulting Hours - £57 / hr (excluding VAT) for Travel Hours

Implications:	<p>Appointing an unqualified, inexperienced or unknowledgeable consultant would be unable to give the Neighbourhood Plan Steering Group the advice it needs to progress the plan's review with confidence.</p> <p>Appointing an unqualified, inexperienced or unknowledgeable consultant may lead to poor advice being followed increasing the risk of the review's outcomes failing its inspection and not being "made" by Dorset Council.</p> <p>Appointing a consultant who is unfamiliar with the Wareham Neighbourhood Plan or broader Wareham context may inflate consultation costs as they "read themselves in".</p> <p>Failure to appoint a qualified consultant would leave the Neighbourhood Plan Steering Group unable to proceed with elements of the Wareham Neighbourhood Plan's review with confidence or potentially completely prevent progression.</p>
Recommendation:	<p>To approve the recommendation from the NPSG to appoint Jo Witherden as the consultant for the Neighbourhood Plan review and to delegate authority to the Chair (provided they are an elected member) of the Neighbourhood Plan Steering Group and Town Clerk in respect of consultant charges in line with Financial Regulations.</p>

WAREHAM TOWN COUNCIL – REPORT

Meeting Date: 28 April 2026

Agenda Item: 12

Subject:	Council and Museum Websites
Prepared by:	Nicola Gray, Town Clerk & RFO
Purpose of Report:	To consider the upgrade of Council and Museum Websites to Achieve Accessibility Compliance
Background:	<p>Town and Parish Councils are required to ensure their websites meet accessibility standards under the Web Content Accessibility Guidelines (WCAG), currently WCAG 2.2 AA, alongside transparency requirements and the use of council-owned domain names and email addresses (as set out in the SAPPP Practitioners’ Guide 2025).</p> <p>National bodies including the Society of Local Council Clerks and the National Association of Local Councils strongly advocate that councils take steps to ensure full compliance.</p> <p>Failure to meet these requirements presents a risk of non-compliance with accessibility legislation and best practice guidance, as well as reputational risk.</p> <p>The Council’s current website and the Museum website have limitations in meeting these requirements and would require significant updating to become fully compliant.</p> <p>A quotation has been obtained from Aubergine 262 Ltd, a specialist provider working with over 600 parish and town councils, including many within Dorset. The company has worked in collaboration with SLCC and authored the NALC Website Accessibility & Publishing Guidebook.</p> <p>Separate quotations have been provided for:</p> <p>The Council website (including compliance requirements); The Museum website (tailored to its specific needs).</p>
Key Points:	<p>Legal and Best Practice Compliance:</p> <ul style="list-style-type: none"> • Websites must meet WCAG 2.2 AA accessibility standards. • Councils are expected to publish specific information to meet transparency obligations. • Use of a council-owned domain (preferably gov.uk) is now strongly recommended. • The SAPPP Practitioners’ Guide 2025 (Assertion 10 – Digital and Data Compliance) requires councils to demonstrate compliance with website accessibility, data protection, and publication requirements as part of the Annual Governance and Accountability Return (AGAR). <p>Audit and Governance Requirements:</p> <ul style="list-style-type: none"> • To respond positively to Assertion 10, the Council must ensure: <ul style="list-style-type: none"> ○ A compliant and accessible website.

	<ul style="list-style-type: none"> ○ Publication of required documents under the Transparency Code and Freedom of Information Act. ○ Use of a council-owned domain and appropriate email addresses. ○ Compliance with GDPR and Data Protection legislation. <p>Current Position:</p> <ul style="list-style-type: none"> • Existing websites require improvement to meet compliance standards. • Retrofitting the current sites may be complex, time-consuming, and less effective than replacement. <p>Proposed Solution:</p> <ul style="list-style-type: none"> • Migration to a purpose-built, compliant platform provided by Aubergine 262 Ltd. • Platform includes hosting, maintenance, security, and ongoing compliance updates. • Full training and ongoing support are included. <p>Content Migration:</p> <ul style="list-style-type: none"> • Core legally required content is included in the package. • Museum = additional historic content can be transferred at a per-page/file cost or undertaken in-house. <p>Timescales:</p> <ul style="list-style-type: none"> • Typical delivery is approximately 10 weeks from commissioning. <p>Sector Use and Credibility:</p> <ul style="list-style-type: none"> • Platform is widely used by town and parish councils nationwide. • Provider is aligned with sector guidance and standards, including Government Digital Service requirements. <p>Financial Consideration:</p> <p>Council Website:</p> <ul style="list-style-type: none"> • The quoted cost for the new Council website is £999 + VAT (or £899 + VAT for SLCC members) for build and year one, with an ongoing annual cost of approximately £299 + VAT thereafter. • A budget of £1,500 is already allocated for the Council website. • The proposed cost therefore falls within the approved budget provision, allowing the project to proceed without additional funding. <p>Museum Website:</p> <ul style="list-style-type: none"> • The quoted cost for the Museum website is £3,250 + VAT for design and build, plus £299 + VAT annual hosting, giving a total year one cost of £3,549 + VAT. • There is currently no specific budget allocation for the Museum website.
--	--

	<ul style="list-style-type: none"> • It is therefore proposed that the balance be funded from the General Fund. <p>Ongoing Costs:</p> <ul style="list-style-type: none"> • Both websites will incur modest annual hosting and support costs (circa £299 + VAT per site), which will need to be incorporated into future budgets. <p>Value and Risk Consideration:</p> <ul style="list-style-type: none"> • The Council website upgrade represents a low-cost, budgeted compliance solution. • The Museum website represents a larger investment, but delivers improved engagement, visibility, and future income-generating opportunities (e.g. events and online sales functionality).
<p>Implications:</p>	<p>Legal/Compliance – Failure to upgrade the Council website may result in non-compliance with accessibility regulations and statutory guidance. In addition, under the SAPP Practitioners’ Guide 2025, the Council is required to confirm compliance with Assertion 10 (Digital and Data Compliance) as part of the AGAR process. This includes ensuring that websites meet WCAG 2.2 AA standards, publish required information, and operate appropriate domain and data protection arrangements.</p> <p>Financial – The Council website upgrade can be delivered within the existing £1,500 budget, representing a cost-effective compliance solution. The Museum website, whilst a higher-cost project, will need to be funded from the General Fund, as there is no specific allocated budget. Both websites will incur ongoing annual hosting and support costs, which will need to be incorporated into future budget planning.</p> <p>Reputational and Service Delivery – The Council website is a primary communication tool and must be accessible to all residents. A failure to meet accessibility standards may negatively impact public perception and limit access for users with disabilities. Conversely, a compliant and modern website will improve transparency, usability, and engagement.</p> <p>Strategic/Community Benefit – The Museum website upgrade represents an opportunity to enhance the Museum’s digital presence, improve visitor engagement, and support future income-generating activities such as events and online sales.</p> <p>External Funding Risk – The Council is progressing a funding bid to the National Lottery Heritage Fund for the Museum project. A website that is not modern, accessible, and fit for purpose may adversely impact the strength and credibility of this bid, particularly where digital engagement and accessibility are key considerations.</p> <p>Risk – There is a risk that maintaining the current websites may lead to increasing compliance issues, inefficiencies, and potential audit queries. The Council website presents a low financial risk with high compliance benefit, whereas the Museum website presents a higher</p>

	financial commitment but with longer-term strategic and community benefits, including supporting external funding opportunities.
Recommendation:	Members are requested to approve the upgrade of the Council and Museum websites via Aubergine 262 Ltd to ensure compliance with accessibility requirements and support a positive response to Assertion 10 (Digital and Data Compliance) within the Annual Governance and Accountability Return, using the suggested budget lines to cover costs.

WAREHAM TOWN COUNCIL – REPORT

Meeting Date: 28 April 2026

Agenda Item: 13

Subject:	Community Governance Review
Prepared by:	Nicola Gray, Town Clerk & RFO
Purpose of Report:	To consider and agree a response (if any) to the Community Governance Review consultation from the Local Government Boundary Commission for England.
Background:	<p>The Local Government Boundary Commission for England has commenced a statutory electoral review of Dorset Council. The review will consider and make recommendations on:</p> <ul style="list-style-type: none"> • The total number of councillors elected to Dorset Council. • The number and boundaries of wards. • The number of councillors representing each ward; and • The names of wards. <p>The Commission is currently undertaking an initial 10-week consultation period, which closes on 1 June 2026.</p> <p>Following this stage:</p> <ul style="list-style-type: none"> • Draft recommendations are expected in September 2026. • A further consultation will then take place. • Final recommendations are anticipated in March 2027. • New arrangements are scheduled to come into effect at the May 2029 local elections. <p>The Commission has indicated it is minded to recommend 82 councillors for Dorset Council, which is unchanged from the current number.</p> <p>The consultation invites submissions from local councils, organisations, and residents on proposed warding arrangements.</p>
Key Points:	<p>The review focuses on achieving a balance between three statutory criteria:</p> <ul style="list-style-type: none"> • Electoral equality (similar number of electors per councillor). • Reflection of community identities and interests. • Effective and convenient local government. <p>Submissions should be evidence-based, for example referencing Community links and identities.</p> <ul style="list-style-type: none"> • Shared facilities and services. • Transport connections. • Local organisations and amenities. <p>The consultation is open to all stakeholders, including Town and Parish councils.</p>

	<p>The consultation can be accessed via the LGBCE website, where interactive mapping and supporting guidance are available.</p> <p>Representations can be submitted online via the consultation portal, by email, or in writing to the Commission.</p> <p>This is the first opportunity for the Town Council to influence ward boundaries before draft proposals are developed.</p>
<p>Implications:</p>	<p>Governance - Changes to ward boundaries may affect how Wareham is represented at Dorset Council level, including the number of councillors and alignment with neighbouring areas.</p> <p>Community Representation – Ward arrangements could impact how effectively local community identities and interests are reflected within Dorset Council governance structures.</p> <p>Strategic Influence – Failure to respond at this stage may limit the Council’s ability to influence proposals before draft recommendations are published.</p> <p>Community Governance - As part of the consultation, local residents and community groups may submit representations raising wider governance matters. Whilst this review relates to Dorset Council wards, Wareham Town Council currently has 16 councillors, which is comparatively high relative to some neighbouring towns and parishes, and this may prompt comments or future consideration of parish-level governance arrangements.</p>
<p>Recommendation:</p>	<ol style="list-style-type: none"> 1) Note the commencement of the LGBCE consultation on electoral arrangements for Dorset Council. 2) Consider whether Wareham Town Council wishes to submit a formal response. 3) Agree (if appropriate) to delegate authority to [Clerk / relevant committee / working group] to prepare and submit a response on behalf of the Council prior to 1 June 2026. 4) Provide initial views or key principles to inform any submission.

The Local Government Boundary Commission for England is asking for your views on our electoral review of Dorset. The review will agree new ward boundaries across the council.

- Do you have suggestions about where your ward boundaries should be?
- Where do people in your area go to access local facilities, such as shops and leisure activities?
- Which areas do you identify as your local community?

Consultation closes: 1 June 2026

Wareham Town Council – REPORT

Meeting Date: 28 April 2026

Agenda Item: 15

Subject:	Report of the Museum Co-ordinator
Prepared by:	Katie Seal, Museum Co-ordinator
Purpose of Report:	To provide an update on issues arising and confirmation of Museum Co-ordinator's actions.
Background:	<p>Wareham Town Museum provides historical and cultural opportunities for residents and visitors of Wareham. These services are provided through the running of the museum's exhibitions during the museum's open season as well as a range of community outreach activities, such as museum events, talks and workshops.</p> <p>The Report of the Museum Co-ordinator is a standing report to Council to inform members of the work undertaken by the Museum co-ordinator and volunteers and ongoing development work of the museum as a service.</p>
Key Points:	<p>Volunteers</p> <p>Our volunteers are delighted to be open again for the summer season. We've had a particularly busy start, with strong visitor numbers and encouraging sales in the gift shop.</p> <p>Our newest volunteer has settled in well, and we continue to attract further interest. One prospective volunteer is currently waiting for a suitable slot, and another has come forward this month and will be undertaking a taster session on the 30th.</p> <p>The museum gift shop has performed very well, with several lines selling out or close to it – particularly books – necessitating the ordering of additional stock.</p> <p>Events and Engagement</p> <p>We have maintained a consistent and active presence on social media throughout the period, with posts shared regularly to promote the museum, its exhibitions, and events. This has resulted in strong levels of engagement, with increased interaction from both local audiences and visitors further afield, helping to raise the museum's profile and support visitor numbers.</p> <p>Winter Lectures</p> <p>The Winter Lecture Series proved to be a significant success. Over the ten-week programme, we raised a total of £1,067.87 in donations, reflecting both strong attendance and generous support from our audiences. The talks were very well received, with consistently positive feedback highlighting both the quality and variety of the programme.</p>

In addition to its financial success, the series fostered a welcoming and regular weekly community. It provided an opportunity for social interaction and continued learning, particularly benefiting those who may not otherwise have access to regular events of this kind. The sense of continuity and engagement built up over the ten weeks was especially valuable, and many attendees expressed enthusiasm for future lecture programmes.

Junior Archaeologist: Build a Skeleton – 9 April 2026

We had a fantastic turnout for our skeleton workshop, with approximately 50+ children in attendance. Although the session was lively and at times quite hectic, it was incredibly rewarding to see so many engaged and enthusiastic children taking part.

I would like to extend a sincere thank you to Rosie and Tim for their invaluable support during the workshop, as well as to my partner for assisting on the day. Charging a small fee for the event did not appear to deter attendance, and the children were all very pleased with their takeaway goodie bags at the end. Rosie had previously delivered the same workshop in Dorchester, and feedback suggests that ours was significantly busier.

We are also extremely grateful to Bournemouth University for providing the replica bones, and to Wareham Men's Shed for constructing a replica coffin, both of which were essential to the success of the activity.

Given the positive response, we are considering running another version of this workshop during the school summer holidays in August.

Looking ahead, I am currently planning a children's workshop for July to coincide with the Festival of Archaeology and this year's theme of nature. There is also potential for additional talks to be scheduled as part of the wider programme.

Partnerships and Loans

Preparations are well underway for the new Iron Age burials exhibition, which is scheduled to open in July. This is a significant upcoming display for the museum, and development work is progressing steadily.

I am working closely with Martin and Adam from Bournemouth University to research, plan, and deliver the exhibition, drawing on their specialist academic expertise to ensure the content is accurate, engaging, and accessible to a wide audience. The collaboration has been very positive and constructive so far, with ongoing discussions around interpretation, presentation, and the best way to communicate the archaeological findings to visitors.

	<p>The exhibition is expected to be highly enlightening, offering valuable insight into Iron Age burial practices and contributing meaningfully to our wider understanding of the period.</p> <p>Cataloguing Project</p> <p>Cataloguing has continued steadily throughout the period, supported by the ongoing commitment of our volunteers. A number of volunteers have been generously giving up their time during the week to help oversee and actively progress the project, which has been invaluable given the scale of the work involved.</p> <p>Their contribution has helped maintain consistent momentum, ensuring that new material is being processed and recorded in a structured and methodical way. This continued support is making a real difference to the pace of the project and is helping us move steadily towards improving the organisation and accessibility of the collection.</p> <p>Website</p> <p>The current website was commented on by the NLHF as being very old and could be more engaging. Therefore, I hope the Council supports the initiative to upgrade the website and enable us to showcase the development of the new museum as progress is made.</p>
Implications:	<p>The museum is a significant public service to the town and the reporting of its activities for Council allows members to contribute more fully to shaping its future development.</p> <p>The strategic documents drafted by the Museum Co-ordinator are key enablers to future developments for the museum.</p> <p>Elements of the Museum's services are supported by the successful application of grants, and their reporting is brought for information and report.</p>
Recommendation:	To note the report of the Museum Co-ordinator for information.
